Report of Principal and School Improvement Council

Saluda Trail Middle School just added the ARTS to our STEM program to become a STEAM school by the end of this year . We have integrated technology through the use of iPads in the classrooms in a 1-to-1 initiative. We have been a pilot school for TransformSC this school year and have integrated PBI, blended learning, and work that matters. We have continued working with STEM2 Centers and TransformSC all year to better serve our students in today's 21st Century skills

We added Musical Theater and Costume Design to our digital photography, video production, digital piano, design studio, robotics, sculpture, and STEM Academy as related arts offerings to our students. We have been funded over \$90,000 in grant money in these two years as a STEM/STEAM school. We have also obtained the Distinguished Arts Program and ABC grants for the work being done by our Fine Arts Department integrating arts into STEM. Parents, students, and teachers have embraced the new STEM curriculum and love the new related arts courses.

Saluda Trail has gained a lot of recognition this past year for the outstanding work by our students. We have increased our communitiy and parent participation by requesting help from engineers and other business partnerships as they worked collaboratively with students in planning staged of their units. We also had formal presentations by the students in front of panels of parents, district personnel, and business partners at the end of the school year. Saluda Trail Middle School students, staff, and community continue to work together to provide the best instruction and experiences for our students.

Ruth Ann Pitt, School Improvement Council Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Saluda Trail Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
